

17th Annual - Let's Tee Off Against Breast Cancer

The Trout Lake Ladies League is holding our 17th Annual "Let's Tee Off Against Breast Cancer" golf tournament on June 18, 2026. Because of support from local businesses like you and donations from individuals we raised almost **\$33,000.00** in 2025.

I'm asking if you could help us raise funds this year to be used for "We Care" totes that will be given to first time breast cancer patients in the Northwoods. These totes provide financial and emotional support in a stressful time. Every dollar raised directly benefits patients in our local communities who are receiving care at the **James Beck Cancer Center in Rhinelander and Marshfield Clinic in Minocqua**. We have given out over **750** totes to area breast cancer patients since we started in the fall of 2017. The recipients have been so overwhelmingly grateful for the reminder that the community cares about them.

Your sponsorship, or donation of a gift certificate or merchandise for use with our raffle baskets, would not only support a worthwhile cause, but will also increase your business or organization's visibility in the community. Your sponsorship or donation is 100% tax deductible.

With sincere appreciation,

Karen Lewis
